RE: Certification No. 1999-W

Dear Mr. Hamid:

We are pleased to inform you that your firm has been certified as a Disadvantaged Business Enterprise (DBE) with the Metropolitan Washington Unified Certification Program (MWUCP), effective November 19, 2013. MWUCP participants include the Metropolitan Washington Area Transit Authority (WMATA) and the District of Columbia Department of Transportation (DDOT). Your firm is subject to the requirements of the Disadvantaged Business Enterprise regulations, *Title 49, Code of Federal Regulations, Part 26*, as amended and all laws of this jurisdiction applicable to the transaction of business. You are currently certified in the following North American Industry Classification System (NAICS) Code(s):

**541330 – Engineering Services, Consulting Engineering, Engineering Design Services, Geological Engineering Services**  
**541380- Geotechnical Testing Laboratories or Services**

If you wish to add to the list of approved NAICS Codes, you must make such request in writing with supporting documentation to the MWUCP participant from which the original certification was received. As a certified DBE, you are required to submit an annual "No Change"/"Notice Regarding Change" statement, attesting to your continued status as a "socially and economically disadvantaged individual". You must also submit the following: (1) a Personal Net Worth Statement (PNW); and (2) the Firm's Federal Tax Return for that year. The requisite forms are available at [www.wmata.com](http://www.wmata.com). You can access these forms by first clicking on *Business with Metro* and then clicking on *Disadvantage Business Enterprise/forms*. The "No Change"/ "Notice Regarding" Change Statement and supporting documentation should be mailed annually on or before your firm's certification date to:

Washington Metropolitan Area Transit Authority  
DBE & Compliance Office, 3C  
600 5<sup>th</sup> Street, N.W.  
Washington, DC 20001

November 19, 2013

-2-

If a change in the ownership, control or management of your firm has occurred, you must complete and submit a "Notice Regarding Change" statement immediately subsequent to the change.

Firms desiring information about DDOT procurement opportunities should go on line at <http://ddot.dc.gov/dbe>. To do business with WMATA, go on line at [www.wmata.com](http://www.wmata.com) or [www.metroopensdoors.com](http://www.metroopensdoors.com) to register as a vendor and for bidding opportunities.

A firm is considered graduated in all or some of the areas of work grouped under the NAICS Codes if the firm exceeds the size standards listed under the NAICS Codes. If a firm exceeds the size standard in any of its approved NAICS Codes, it is no longer certified as a Disadvantaged Business Enterprise under that specific NAICS Code. If a firm exceeds the size standards in all of its approved NAICS Codes or the established Personal Net Worth standard, it is no longer eligible to participate as a Disadvantaged Business Enterprise under the Federal U.S. Department of Transportation Program.

Your certification does not automatically expire, however; your firm must submit the required documents annually on or before your firm's certification date. Failure to provide the requested documents in a timely manner will result in immediate actions to decertify your firm's eligibility as a Disadvantaged Business Enterprise with the Metropolitan Washington Unified Certification Program.

If you have any questions, please contact Teairra Swain, DBE & Compliance Specialist at 202-962-6057 or via email at [tswain@wmata.com](mailto:tswain@wmata.com).

Sincerely,

Debra A. Farrar-Dyke

Dear Mr. Hamid:

Subject: Issuance of DBE Certification Letter

The Connecticut Department of Transportation (ConnDOT) Office of Contract Compliance has determined that your business is eligible for certification in accordance with U.S. Department of Transportation, 49 CFR, Part 23. Your firm can be found on the ConnDOT website at [www.ct.gov/dot](http://www.ct.gov/dot). Your firm is certified under NAIC(S): 541330; 541380 to perform the following services:

Engineering Consultant Services

Under Federal Regulation 49 CFR 26.83(j), you are required to submit an Annual “No Change Affidavit” verifying that no changes have occurred in your firm. For your convenience, I have enclosed a copy of the “No Change Affidavit” form. Your Annual No Change Affidavit is due on or before your original date of certification each calendar year. The items required for submission include the “No Change Affidavit”, a copy of your DBE Home State Certification if not a Connecticut based firm and Personal & Company Tax Returns. Please Note: There will be no other notification of this requirement, and failure to submit this form, as well as all supporting documents, will be viewed as non-responsive and will initiate an Eligibility Hearing to determine if your firm should be decertified due to failure to cooperate.

Additionally, it is your responsibility to inform this Office, in writing, within thirty (30) days of any change in business ownership or structure, day-to-day management or any other substantive changes. Failure to do so may jeopardize your certification.

A representative from either the Central Connecticut State University's Institute of Technology and Business Development (ITBD) and/or the Greater New England Minority Supplier Development Council (GNEMSDC) will be contacting your firm regarding the Department's Business Development Programs.
